Sr. D. Miguel Ángel Panduro Panadero

Chief Executive Officer, HISDESAT S.A.

**"Space: A New Landscape for Operational, Technical and Industrial
Co-operation"**

Mr. Panduro has over 30 years of experience in the areas of the defence, security, space and communications.

He holds a Master of Science degree in Telecommunication Engineering from the Polytechnic University of Madrid and is a graduated (PDG) of Business Administration Management Program from IESE. He completed his education with various diplomas in corporate governance, strategic business management and project management technology.

He is the Chief Executive Officer at Hisdesat (Spanish Satellite Operator for governmental services) and is member of the Board of Directors in different companies: HISPASAT (Satellite Operator), XTAR (US Satellite Company), exactEarth (Canadian company) and others.

Between 2004 and 2012, Mr. Panduro served as the Chief Executive Officer of ISDEFE, an own-stated company that provides consulting services to manage programs in the fields of the defence, security, transportation, information technology and communications. He was member of the Steering Committee of Spanish Secretariat State of Defence. In 2011, Mr. Panduro was awarded the “Engineer of the Year” by the Spanish Telecommunication Engineer Association.

He previously had developed his career primarily at HISPASAT, being a member of Steering Committee and holding the positions of Sales and Services Director, among others. He has also held positions as member of the Committee for the Support of Technology COTEC, as member of the Steering Committee of Digital Video Broadcasting (DVB) of the European Broadcasting Union and acting as the Chairman of different Working Groups at the International Telecommunication Union (ITU).
